

PUBLIC CONSULTATION

LAND SOUTH OF THE PADDOCKS & THE RIDGEWAY, POTTON

An area of land measuring 3.51 hectares (approximately 8.7 acres) south of The Paddocks & The Ridgeway, Potton has been allocated for development in the Central Bedfordshire (North) Site Allocations Development Plan Document adopted in April 2011 (site HA9) for a minimum of 90 dwellings and 0.5 hectares (1.25 acres) of allotment space.

Kier Living and Stonewater Housing Association are preparing a planning application for the development and they appreciate that local knowledge of the site and the surrounding area is an important consideration in shaping the development and how it can be designed and integrated into Potton. Therefore Kier Living and Stonewater

Housing Association are inviting public comments on the development proposal.

You are therefore invited to discuss the proposals with the developers on Wednesday 25th July 2018 between 4.30pm and 7.30pm at The Community Centre, Brook End, Potton SG19 2QS
