

# Potton Warm Spaces

Organisations based in Potton have come together this winter to provide **Warm Spaces** for people who might be facing tough decisions about heating their homes during the day. **Warm Spaces** are being set up around the UK by many different organisations with support from volunteers and local government. The spaces are open to anyone who wants to come in – all ages, no judgement, no questions, we just ask that people appreciate they are public and we expect people to respect each other, the volunteers and the spaces themselves. Hot drinks are being provided along with some snacks. The **Warm Spaces** will have toilet facilities, and people are welcome to bring games or books to entertain themselves.

The **Warm Spaces** will be available from Monday 31st October. We are learning what works so we may well be able to improve facilities during the coming weeks.

## Late News from Potton Town Council

### Newsletter delivery

Potton Town Council produces four newsletters each year, which are delivered to every household in Potton.

We currently have vacancies for newsletter delivery rounds and we are interested in hearing from 13-18 year olds who would like to deliver our newsletter for us. The rate of pay is £20 for 300 delivered newsletters, pro-rata.

A work permit is required from Central Bedfordshire Council; you can find out more information and download a Child Employment Application form by visiting
