

Potton Community Support Group

When lockdown was announced, many of Potton residents' first thought was "how can I help?" With the support of local organisations the Potton Community Support Group was founded. To all the volunteers, those who donated, and those who stayed at home for so long, we salute you!

Food shopping top-up

Potton Town Council has set up a Potton Community Help Fund, and so far, we have raised nearly £4000.

If your situation has changed unexpectedly as the result of the Lockdown or other Covid19-related cause, we can use the support fund to help you top-up your weekly food shopping.

We can arrange a Tesco food voucher until you are back on your feet.

Don't suffer in silence - we are all in this together and we are here to HELP.

Street volunteers

About 130 amazing residents volunteered to support every household in Potton during isolation, and they are still going.

So far, they have helped with:

- Picking up shopping and prescriptions
- Posting mail
- Getting urgent supplies

If you need any help, contact your Street Volunteer – their contact details are on the back of the 'Hello' card that was delivered to you in March.

If you have lost your 'Hello' card, contact Tracey Wye on 0300 300 8528 or email tracey.wye@centralbedfordshire.gov.uk
