

**POTTON TOWN COUNCIL**  
**ANNUAL TOWN MEETING**

TUESDAY 16th April 2024 at 7pm in the Community Centre

This is the annual meeting open to all residents of the town. This meeting is not a Council meeting – it's a meeting for residents to put forward their questions, comments and queries to their local Councillors, as well as find out what the Council is working on now, and in the future. The meeting is open to everyone, and residents and the press are encouraged to join in the public question time. If you have any questions you would like to raise it would be helpful, but not essential, if they could be submitted in advance of the meeting: [pottoncouncil@btconnect.com](mailto:pottoncouncil@btconnect.com)
